Make the most out of your gardening! The Urban Gardening initiative of the Montgomery County Master Gardeners invites you to our free Gardening Expo of demonstrations and hands-on activities, including take-home gardening projects. Join us and learn all about:

- Creating container gardens
- Making self-watering containers (Just for kids!)
- Growing herbs, vegetables and microgreens
- Vertical gardening
- Creating water gardens for small spaces
- Designing a sustainable garden
- Growing healthy houseplants

And much more!

Be sure to bring samples of diseased plants, and questions on pests and good gardening practices to the event so you can "Ask a Master Gardener" for help with solving your gardening problems.

Urban Gardening is a 2015 initiative of Montgomery County Master Gardeners, a program of the University of Maryland Extension. Please check out the Master Gardener website at <http://www.extension.umd.edu/mg/locations/montgomery-county-master-gardeners> for more descriptions of our programs.
